Christy

I am sorry, I thought that I sent this out to you yesterday. We have not designated chemicals of concern yet. The action levels required to meet DQOs for all analytes being analyzed are presented in Appendix A of the QAPP addendum and the approved QAPP. Please let me know if you have any questions or need additional information.

Thanks

Brian,

Do you have the contaminants of concern designated with the action levels required yet?

Good afternoon Christy

Attached are the sample request for the Falcon Refining RI sampling event. We are planning 3 weeks of sampling, the week of Sep 9, Sep 16, and Sep 23. Please let me know what additional information you need in addition to the attached files.

Thanks
